CALL FOR PAPERS AND PARTICIPATION

for the 5th South-East European (SEE) meeting & scientific conference of management departments:

ENTREPRENEURIAL SOCIETY: CURRENT TRENDS AND FUTURE PROSPECTS IN ENTREPRENURSHIP, ORGANIZATION AND MANAGEMENT

to be held on *September 25th and 26th 2015,*

on the premises of Faculty of Organization and Informatics, Varaždin University of Zagreb, Croatia

Dear colleagues,

after four successful meetings and scientific conferences of management departments from the South-East European region, held in September/October 2011-2014, in Tuzla, Split, Mostar and Dubrovnik, we have now developed a consortium of ten higher education institutions in the field of business and economics, supporting our initiative. We are pleased to announce that the **Fifth South-East European (SEE) meeting & scientific conference of management departments** will be hosted by the University of Zagreb, Faculty of Organization and Informatics, on September 25-26, 2015.

We continue to strive toward reaching the goal of **creating a regional forum for exchange of ideas related to research and teaching in the fields of entrepreneurship, management, organization / organizational theory and information technology.**

The regional approach re-emphasizes the collaborative approach in scientific and professional work, as well as enables our younger colleagues to meet their peers throughout the region, establish new professional links and exchange ideas/thoughts and best practices. **We would like to contribute to a wider dialogue within the profession in the region and, therefore, we encourage the participation of all those who will be either presenting a paper, or intend to actively contribute to discussions and to the exchange of best practices.**

The main title of the Conference remains bound to our future-looking orientation – **ENTREPRENURSHIP, ORGANIZATION AND MANAGEMENT.** However, in 2015, we would like to emphasize the current trends and future prospects in entrepreneurship, organization and management in the context of entrepreneurial society. We kindly ask all the esteemed colleagues to submit their abstracts, addressing one of the following topics, or any other relevant topic, to be discussed in the general framework of the conference:

5th SEE Conference

We kindly ask all participants to submit their contributions in any of the previously listed languages, in Latin alphabet. No fee is charged for participation in this workshop.

In order to secure your participation at the Conference, we ask you kindly:

If you are interested in **submitting and presenting your paper, please fill in the registration form and submit it, along with your abstract.** Please submit your registration form and abstract as soon as possible but no later than **31st May 2015** and your full paper by **15th August**.
