# Corporate Finance and Financial Market Developments

ALUMNI  
UPGRADE  
COURSE

**Who**  
should attend?

IEDC alumni of PhD, MBA, GMP, YMP and DMP programs, this one day course was developed by Prof. Jim Ellert specially for graduates and takes into consideration your prior experience of IEDC programs.

Refresh your knowledge of financial markets developments and corporate finance **FREE OF CHARGE.**

# What will you learn?

- **Corporate Finance Developments:** This session will focus on corporate finance developments with particular emphasis on contrasting approaches to financial policies pursued by Western companies and CEE companies with partial state ownership (e.g. Slovenia Telekom and Croatia Telekom). We will also look at emerging patterns in venture capital and private equity financing of corporate activity as well as the emergence of “crowd funding” of business ventures.
- **Financial Market Developments:** This session will focus on recent developments in the pricing of equity shares and bonds in the global financial markets, discuss capital market efficiency in the pricing and valuation of risky financial assets, and discuss the role of options contracts in contemporary financial markets.
