CREATE ZERO HUNGER

Ericsson Innovation Awards 2017

A GLOBAL STUDENT COMPETITION

How can ICT shape the future of food?

If you have a groundbreaking idea, you could win €25,000, expert mentorship and an opportunity to make your idea a reality. It's all part of our commitment to using ICT to achieve the UN's Sustainable Development Goals of Zero Hunger and Responsible Production and Consumption.

Learn more and register your team at bit.ly/eiac2017

Registration open through March 14.

Ericsson is a proud Nobel International Partner, supporting engagement in the pursuit of scientific knowledge.
