

Dear students,

In one of the most full of life and picturesque cities – Ohrid, the city of UNESCO, a very inspiring summer scientific story started in 2010, from national, by time grew in international, unifying in one place both scientists and business people, both theoreticians and practitioners, surrounded by young people eager to obtain new knowledge and enhance their intellectual potential.

In the year when it celebrates its 67th jubilee, the Faculty of Economics – Skopje, at the Ss. Cyril and Methodius University in Skopje, traditionally, 7th time in a row, in an entire cooperation with AIESEC Skopje, cordially invites you to join us at our **International Summer School “MAKE A DIFFERENCE – BECOME A YOUNG LEADER ON DEALING WITH THE NEW ECONOMIC CHALLENGES ON THE PATH TO THE EU”**.

Please find below a short overview of basic information about the International Summer School.
